MAINTAINING CALIFORNIA DEPARTMENT OF HEALTH GUIDELINES FOR COVID-19

At Pathways to Wellness, we remain conscious, caring, and concerned for the wellbeing of all our clients and community. We continue to follow the Covid-19 guidelines published by California Department of Health and county divisions – [most recent orders dated April 3, 2023](#).

If You or I Are Sick

You understand that your therapist is committed to keeping you, our employees, and all our families safe from the spread of Covid-19. If you show up for an appointment and you are evidently ill or symptomatic, we will have to reschedule and/or can follow up with services by telehealth as appropriate.

If Pathways to Wellness staff tests positive for Covid-19, your therapist will notify you so that you can take appropriate actions and precautions.

Pathways to Wellness is grateful that we have stayed well and been able to provide the critical and essential services we bring to our communities every day. And we thank our clients for their diligence and care during these last few years.
